Community History

Los Nietos Pioneers

The first inhabitants of the Whittier area were the Gabrielino and Shoshonean Native Americans. During the 19th Century, the Los Nietos Township was larger than any of the surrounding present day cities. The name Los Nietos, "grandchildren" in Spanish, was derived from land owner Manuel Nietos. Los Nietos was historically referred to as "the Settlement", "Old Los Nietos", and "the Village".

Historical Facts:

- Two Los Nietos pioneers served as members of the Board of Supervisors.
- The first Post Office opened in 1867. During this same time, the first schoolhouse, two stores and a saloon also opened their doors.
- Parades occurred down Norwalk Boulevard.
- Local railways led to the Los Nietos Train Depot (see photo).
- The Los Nietos School District is the second oldest in the State.
- After the civil war, census records indicate the population was 2,000.

Los Nietos Depot 1940's (formerly located West of Norwalk Blvd., and Los Nietos Road)

Los Nietos Pioneers: The names of Pioneer High School and Pioneer Boulevard reflect a rich community history. Below are descriptions of a few of the local pioneers that played a part of your community history.

land by the Governor of Alta California. He later lost half of the land due to a judgment against him by the San Gabriel Mission. He married Maria Morillo and had four children. Rancho Los Nietos was the largest land grant in California, stretching from the Puente Hills to the ocean, and Nieto became one of the richest men in California. In 1784, Corporal Nieto built an adobe near the San Gabriel River, where he lived after retiring from the army until his death in 1804. The home was believed to have washed away in a flood and its exact location has been debated. Two possible sites are near the 6600 block of Pioneer Boulevard, and the other, south of Los Nietos Road. A town gradually formed around the Nietos' home. After his death, his estate was divided into six ranchos: Las Bolsas, Los Alamitos, Los Cerritos, Los Coyotes, Santa Gertrudes, and Palo Alto. Parts of the southern portion of present day Unincorporated Whittier lie within Rancho Santa Gertrudes, while the northern portion of Unincorporated Whittier lies within Paso de Bartolo once owned by Pio de Jesus Pico. Josefa Cota de Nieto, widow of one of Nietos' sons, later inherited Rancho Santa Gertrudes and eventually sold it to Lemuel Carpenter.

Eduardo Poyorena Sr. (also spelled Pollorena): Eduardo Poyorena was born in 1825 and was married to Maria Antonia (Colima) Sanchez. He was a rancher, but also served on the Los Angeles County Board of Supervisors (1866) for two terms and also served as the Justice of the Peace. He and his wife Antonia built an adobe at 8547 S. Norwalk Boulevard, where present day Our Lady of Perpetual Help Church now stands. He was a co-founder of the Los Nietos Water Company, and was instrumental in forming the Los Nietos School District, serving on the first Board of Trustees.

Eduardo Poyorena Sr. (far left) riding in the Los Nietos Parade (1880's).

Bernardino Guirado: Guirado was married to Eduarda Poyorena, daughter of Eduardo Poyorena. A wealthy rancher, he owned the Pioneer Store, located on what is now Los Nietos Road and Norwalk Boulevard. Travelers stopped for supplies traveling north along a path that ran from the Pacific Ocean to "Workman's Mill". The "North Walk" eventually became "Norwalk" Boulevard. Elected in 1859, Guirado served on the Los Angeles County Board of Supervisors for one term. His holdings included the largest walnut orchard in California and oil fields in present day Santa Fe Springs.

Adobe home of Lemuel Carpenter, Los Nietos, California, 1920

Lemuel Carpenter: Born in Kentucky in 1808, he married Maria de los Angeles Dominguez in 1835, who was the niece of Josefa Cota de Nieto, daughter-in-law of Manuel Nieto. Carpenter purchased Rancho Santa Gertrudes in 1843 from Josefa Cota de

Nieto. Lemuel's name was actually Samuel, but his name was misspelled by the Recorder. Los Nietos Road was then known as Carpenter Lane. He prospered as a businessman until he lost his ranch to foreclosure after borrowing money. Severe depression led him to kill himself in 1859 and his rancho was sold at a Sheriff's auction. His daughter Mary Refugio Carpenter's diary (1861-1864), which can be found online, includes a glimpse into life during this period. Mary's husband purchased a portion of Rancho Santa Gertrudes and she returned to the area of her childhood.

New License Plate Recognition System Will Identify Wanted Vehicles in Unincorporated Whittier

Two Sheriff's vehicles have been equipped with a new "Automatic License Plate Recognition" system that can automatically detect wanted vehicles. The patrol cars are now deployed in the unincorporated areas of South and East Whittier.

With the new technology, a mobile computer and multiple cameras can capture all license plates within the cameras' view. Up to 1,000 license plates can be read and recorded hourly. Each unit cost \$32,600 and was funded through Federal Juvenile Crime Prevention Grants.

3rd Annual "Educate and Celebrate" Festival Returns to Adventure Park

The 3rd Annual "South Whittier Educate and Celebrate Festival" was held at Adventure Park on Saturday, August 15, 2009.

It's important. Filling out your census form will help the Whittier unincorporated community get its fair share of Federal and State funding. Your participation will help determine how federal funding is spent on services like: hospitals, job training centers, schools, senior centers, public works projects and emergency services.

It's Confidential. Your responses are protected by law and only take a few minutes to complete. The Census Bureau will mail or deliver questionnaires to you in **March 2010**. A second form will be mailed to you if you do not respond. If there is still no response, you will be called or visited by a Census Bureau employee. **Remember: All Census Bureau employees will be identified by a Census badge and have taken an oath to protect your confidentiality. Federal law protects you from the disclosure of any personal information shared during the census.**

How You Can Help. Join the Complete County Committee or volunteer to promote the Census! The County of Los Angeles wants to ensure that there is awareness about the Census in your community. New! Electronic Message Board at Adventure Park Will Keep you Informed

For years, Adventure Park staff hand painted wooden signs to keep the community informed of park activities. During a neighborhood watch meeting the community asked, "What would it take to have an electronic sign put up at Adventure Park" The group requested the assistance of their County Supervisor, and funding was provided for the construction of the new message board. The new electronic sign will now allow the public to view multiple upcoming programs and announcements. On June 3, 2009, the electronic sign was officially dedicated for the community.

The County Implements a Mass Emergency Alert System

Alert.lacounty.gov

Now you can receive up to date information on local emergencies through the Los Angeles County Office of Emergency Management emergency mass notification system. This system will alert residents and businesses by phone, text, and e-mail of emergencies in their area. The Sheriff's Emergency Communications Center will activate local and regional alerts that will provide information and necessary actions, such as evacuations. On May 18th the system was tested in a few selected areas that included South Whittier.

The County's 7.1 million land-line phone numbers are automatically programmed into the mass notification system, but you must register a cell phone and e-mail address. To register, log on to the County's Alert.lacounty.gov website.

This year marks the 10th anniversary of Los Angeles County's nationally recognized food safety inspection program.

Restaurants receiving an "A" grade have more than doubled.

The availability of inspection "grades" has helped consumers make informed decisions about where they dine. Inspections identify improper temperatures, inadequate cooking, contaminated equipment, poor employee hygiene, and food provided from unsafe sources. Local Stations Host Successful “Gifts For Guns” Event

On Sunday, May 31, 2009, Pico Rivera Station held a “Gifts for Guns” event at the Whittier Narrows Regional Recreation Area. Residents brought unwanted guns to the site, where they were traded anonymously for gift cards. “Our goal was to get as many guns off the street as possible,” said Lieutenant Jose Chavez, who organized the event. We are taking an instrument of death and trading it for something useful for the family.” Fifty-nine firearms were collected: thirty-one pistols, eighteen rifles, five shotguns and five assault weapons.

Norwalk Station held its first Gifts for Guns program on March 28th and 29th, 2009. A total of 196 firearms were turned in.

The Los Angeles County Fire Department maintains two Urban Search and Rescue (USAR) Task Force Fire Stations: Fire Station 103 in Pico Rivera and Fire Station 130 in Lancaster. Each USAR Task Force has personnel especially trained to respond to technical rescues such as collapsed structures, swiftwater, and major vehicle accidents with trapped victims.

Know Your Rights When Approached for House Number Curb Painting

Recently, there have been problems reported in local communities regarding house number painting. Be aware of the facts:

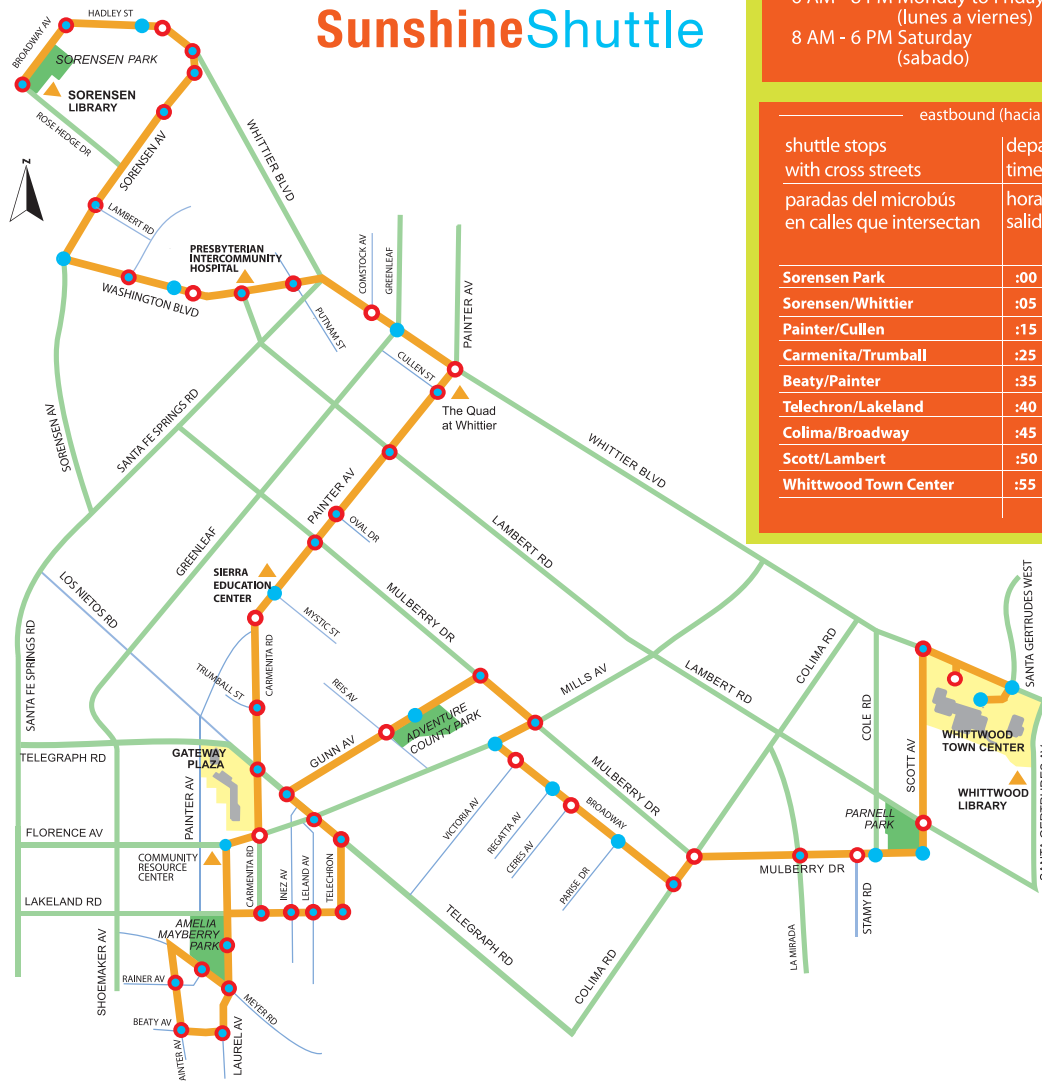

- The County does not employ anyone to paint house numbers on curbs.
- You cannot be charged for any curb painting service. However, you can volunteer to give a monetary donation.
- Legally, you are not obligated to have your house number on the curb. However, the Fire Department recommends that your address is clearly marked on the front of your house.
- The person requesting to paint your curb must obtain and carry an Encroachment Permit from Public Works.
- The property owner’s permission must be obtained before painting the house number.
- Logos painted on the curb are not permitted in the unincorporated area (such as flags, symbols and insignias).
- The solicitor must provide you with a copy of the curb painting guidelines and obtain your signature indicating you understand and have given permission to paint your curb.
- Several solicitors were recently arrested for operating without a permit.

If you would like to inquire if a company has a permit, please contact the Department of Public Works Permit Office at **(626) 458-3129**.

If you feel threatened or intimidated by any representative of a curb painting service, please notify your local Sheriff’s Station.
